Kind Attn. Mr. Sandeep Mathur

Sub. Installation of GMX

Dear Sir

We are extremely pleased with the performance of GMX magnetic water Conditioner you have installed on our Hot water Tea boiler at our Hotel.

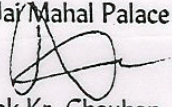

We have notice and marked improvement in the water quality and no scale develop in tea boiler last one month and save electricity through regular thermostat ON/OFF due to no scale on the element.

Also we got good result in RO wastage water, which is used in garden for Irrigation

In coming time we will concenter your recommendations that you have mention in your observation report.

Thanking You

For Jai Mahal Palace Hotel, Jaipur

Ashok Kr. Chauhan
(Chief Engineer)
